

***It was a great year!***  
**Rotary Club of Inverness**  
**received multiple**  
**district honors**

At the June 14, 2012 District Awards Banquet in New Port Richey, DG Carl Treleaven [center] recognized Doug Lobel [left] as the District Rotarian of the Year and club President Rob Tessmer, Jr. [right] with the *Changemaker*, *Presidential Citation* and *A.C.E* Awards.

Doug worked tirelessly to build up the Rotary Youth Exchange program in our district to the third largest in the state.

Rob led our club to reach 100% participation in the Annual Programs Fund, to increase membership, to make a positive change in our community and the world, and to work cooperatively with the other five clubs in our county.
