

Rotary Club of Inverness Recognizes April 2010 Students of the Month

Each month during the school year the Rotary Club of Inverness honors one male and one female Student of the Month from Citrus High School [CHS] and Inverness Middle School [IMS].

They are nominated and chosen by teams that include teachers, coaches, counselors and administrators.

The students inspire us with their achievements in academic, community and many other aspects of their lives.

We appreciate the investment of time and effort of our honorary Rotary members who act as liaison between the schools and the club on behalf of the youth. They attend the monthly awards luncheon along with the students and family members.
