

Rotary Club of Inverness Banner Exchange with Rotary Club of Chapeau, Canada

For many years, Rotarians traveling to other clubs have brought a home club banner to exchange. Rotary Club of Inverness president Charlie Richer was pleased to exchange banners with Joanne Laughland, president of the Rotary Club of Chapeau, Canada. Joanne had been attending at our club during her vacation stay in the Inverness area.

Club banner exchanges and getting to know others all across the world is part of the culture of Rotary and is reflected in this year's Rotary International theme of "Building Communities Building Continents".

Our club has received more than 100 banners from visiting members from other clubs, worldwide. We display them each Tuesday at their luncheon meetings held at Van Der Valk Restaurant in Lakeside Country Club.

There are six Rotary clubs in Citrus County. See all the meeting places and times at www.rotarycitrus.org.
