

**Rotary Club of Inverness
recognized for assisting
with Salvation Army
bell-ringing in 2010 season**

Rotarian Connie Lobel presented club president Charlie Richer with a framed certificate from the Citrus County Salvation Army in recognition of club members [and member friends and family] ringing bells for a Saturday at the Inverness Walmart Supercenter.

Throughout the county during the 2010 bell-ringing season, which runs from a week prior to Thanksgiving through Christmas Eve, just over \$93,000 was donated by the generous shoppers in the county. This money stays in Citrus County to help run the operations of the Citrus County Salvation Army Corps and help the needy of our county with food, rent assistance, electric bills and in many other ways.
