

Inverness Rotarian Bill Metzendorf Receives His Past District Governor Pin

Inverness Rotarian Bill Metzendorf was happily surprised when visiting District 6950 DG Lynda Vinson presented him with his Past DG pin.

Bill retired to Citrus County from District 7250, encompassing Brooklyn, Queens and Nassau counties in New York. He joined the Rotary Club of Inverness in January, 2006, and has been very active with the club ever since.

He joined Rotary in 1977, serving as club bulletin editor and club secretary before taking over as PR then continuing through club president for the Farmingdale club. He then served the district as area representative for four years. He was instrumental in implementing the Gift of Life program in the area, and twice went to medical missions to Moscow.

We're glad Bill is in our club!
