

Rotary Club of Inverness At the Inverness Cooterfest, October 2010

The Rotary Club of Inverness again sold water as a charitable fundraiser at the annual Cooterfest celebration in Inverness. Helpers included club members, Interact members and a special visitor, a Rotary Youth Exchange student.

RYE student Claudio Heeger is being hosted in Hernando County by Sondra and Michael Fitzgerald of the Spring Hill Central Rotary, but he spent a day with us learning about Citrus County. Also assisting at the booth were members of the Citrus High School [CHS] Interact Club, which our Rotary club sponsors.

District 6950 encompasses Pinellas, Pasco, Hernando and Citrus Counties. The six Citrus County Rotary clubs are currently sponsoring Lecanto High School student Marlee White, to spend 10 months in Brazil while Claudio is here.
