The Changing of the Guard

To honor outgoing president Rob Tessmer, Jr.'s stellar year, our incoming president Eloy Nunez [pictured at right] presented Rob a plaque with board members' names and a memorial gavel.

Eloy took the opportunity to thank Rob for leaving him with a "full tank," a reference to succeeding Rob after a year of many accomplishments that included being honored with the A.C.E. Award, Presidential Citation, and the Changemaker Award at the district level.
