

ROTARY CLUB RECEIVES DONATION FROM BOWLERS

Former Rotary Club of Inverness president Paul Harris owns Sportsmans Bowl bowling center on Highway 41 North in Inverness. He's pictured above, right, with current club president Jim Neal.

Harris presented the club with a check for \$520, representing the proceeds from a recent bowling tournament designed to fundraise for the local charities supported by the Rotary. Club members supplied many items for the tournament to use as raffle items or giveaways to add to the excitement of the event.

Thanks, Paul, and thanks to the generous bowlers!
