

Dora Hunt named Rotary Club of Inverness Rotarian of the year for 2011 - 2012

At our Installation dinner meeting July 10, 2012, treasurer Dora Hunt was honored as our club's Rotarian of the Year [she's pictured above with outgoing president Rob Tessmer, Jr.].

Dora makes the business of handling our money seem easy (it isn't!), but she also does so much more. Dora finds answers to our countless questions regarding Rotary protocol, explains the role of our many traditions, and works to encourage smooth transitions when we move forward with changes. She's a strong educator and cheerleader for The Rotary Foundation, and serves as treasury staff to our charitable foundation.

Thanks, Dora, and congratulations on a well-deserved honor!
