

Congratulations to member Doug Lobel, Named Rotarian of the Year for District 6950

The Rotary Club of Inverness is proud that past president Doug Lobel was named as Rotarian of the Year for District 6950 at the recent District awards dinner. He has put enormous effort this year into the Rotary Youth Exchange project, which has been very successful.

The Rotary Club of Inverness also received the Presidential Citation, requirements for which were revised this year, and the Changemaker Award, which is new this year. It was the only club in Citrus County to reach that achievement.

Pictured above are Doug Lobel, PDG Carl Treleaven and immediate past club president Rob Tessmer, Jr.
