

## CHS Interact Officers Installed at Rotary Club of Inverness Meeting

Rotarian and Citrus County Judge Mark Yerman conducted the installation of the 2009 / 2010 Citrus High School Interact Club officers at the Rotary Club of Inverness luncheon on October 6, 2009.

Interact is a service club sponsored by Rotary to instill the values of Rotary in high school students prior to graduating -- the 4-Way Test of things we think, say or do:

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build good will and better friendships?
4. Will it be beneficial to all concerned?

"Helping our high school students start out right by teaching them these four principles of conduct is our obligation," said Rotarian David Rom, who is the Rotary Club of Inverness liaison with CHS Interact Club.

During the installation, Judge Yerman quizzed the students on the origin of the name Interact. He explained that it comes from the term International Action, which he told the students makes them part of something that has global significance.
