

Welcome to a New Honorary Member

It was a sort of hello & goodbye.

On May 25, 2010 we welcomed Klaas Van Der Valk, manager of the restaurant where we hold our meetings, as an Honorary Rotarian.

But at the same time we said goodbye to him, as he's returning to Holland to become more involved in the family's restaurant business there.

Klaas has managed the upscale restaurant and bistro since it opened in 2005; our installation banquet that year was the restaurant's first major group event. He's been a great partner for our club.

Inverness Mayor Bob Plaisted, pictured at the right, above, who is himself an honorary member of our club, performed the pinning ceremony.
