

Congratulations -- Two Members Earn Blue Badges

Congratulations to members Andy Rose [pictured at left, above] and John Rodgers [pictured at right], who were awarded their blue membership badges in October,. They were presented their new badges by club president Charlie Richer [pictured in center]. The red-badge program “rookie tasks” include attending a club board meeting, attending another club’s meeting, arranging for a program or bringing a guest to our meeting, and participating in one of our club’s service or fund-raising activities.
