

Congratulations to Sloan Young for Earning His Blue Badge

New member Sloan Young proudly wears his blue badge, awarded after he completed all his “rookie duties”.

Our club asks new members to complete a number of tasks intended to help them integrate into the workings of the club before their temporary red badges are swapped out for permanent blue badges.

Those tasks include: participating in a club service project or fundraiser; attending our club’s board meeting; attending another club’s regular meeting; bringing a guest to lunch or arranging for a speaker; and being a greeter for one of our meetings.
