

Club Recognition for “Spirit of the Community” Award

It was a great meeting day in early May, when we were presented with a recognition piece for being part of the Citrus County Rotary clubs' Spirit of the Community winning entry, as well as hear about economic development and small business issues from our Small Business Development Center representative.

Picture above, L - R: club programs chair Connie Lobel; Assistant Governor, District 6950, for Citrus County, Tom Feeney; guest speaker, SBDC business analyst Mike Orlito; club president Charlie Richer; and club Sgt. At Arms Melissa Olbek.

The Rotary Clubs of Citrus County won the United Way "Spirit of the Community Award" for the time, effort and money that the clubs collectively give to other non-profit organizations, community causes, international projects and education. The six clubs' combined activities during the past year reached out through 61 different projects either conducted by or contributed to by the clubs and members.
