

## Rotary Clubs Receive Spirit of the Community Award 2010

The Rotary Clubs of Citrus County received the prestigious "Spirit of the Community" award for non-profit organizations at United Way of Citrus County's April 22 annual awards luncheon.

With 233 members collectively, the six Rotary clubs in Citrus County contribute more than \$100,000 annually in our community to other non-profit groups and in support of scholarships, many hours in local hands-on projects, and significant support of international humanitarian projects.

Although membership in Rotary is by invitation, guests are encouraged to visit any club to get acquainted. The website for "Rotary Clubs of Citrus County" [www.rotarycitrus.org](http://www.rotarycitrus.org) provides links to the six clubs' individual websites for information on each as well as on Rotary International.
