

## Students of the Month Honored -- January 2010

The Rotary Club of Inverness honored its Inverness Middle School and Citrus High School students of the month for January at a recent meeting. Honorees are nominated and chosen by school-based teams that include instructors and administrators, then are invited to a lunch meeting to tell us about themselves. They inspire us with their achievements in academic, community and many other aspects of their lives. We appreciate the investment of time and effort of our honorary Rotary members who act as liaison between the schools and the club on behalf of the youth.
