

Students of the Month -- October 2009

The Rotary Club of Inverness honored its Inverness Middle School and Citrus High School students of the month at its October 20 meeting. Honorees are nominated and chosen by school-based teams that include instructors and administrators, then invited to a lunch meeting to tell us about themselves. They inspire us with their achievements in academic, community and many other aspects of their lives. We appreciate the investment of time and effort of our honorary Rotary members who act as liaison between the schools and the club on behalf of the youth.

Last year, honorees Sarah Warner and Nimmer Migdad were sponsored by our club to attend Rotary's youth leadership program, Seminar For Tomorrow's Leaders -- known as S4TL. Held at Florida Southern College in Lakeland, the week-long S4TL brings together high school juniors from all over the state to learn about and practice leadership skills that include getting to know and working with others to overcome curriculum challenges created by the staff as well as explore issues that the students themselves bring to discussions. S4TL attendees return to their high schools prepared to take on leadership roles and help others perform at a higher level.
