

Rotary Club of Inverness Recognizes Vocational Service Honorees

The Rotary Club of Inverness honored one business and one individual for their demonstration of Rotary's "Service Above Self" motto, their service in the community and their help to the Rotary Club of Inverness in achieving its service goals.

The business honoree was the Inverness Walmart Supercenter, managed by honorary Rotarian Larry Gamble, pictured at left. The individual honoree was Dennis Miller, general manager of WYKE-TV, at right.

Inverness Walmart has consistently, and generously, donates for our club's charitable causes, including water to sell at festivals, hot dogs for BBQs and bicycles or TV sets for raffles.

Dennis Miller's time and expertise help make the Rotary Club of Inverness' annual TV Auction, a major fundraiser, so successful. He reschedules hours of regular programming to make time for the all-afternoon Rotary event, and he participates on his day off as the on-air emcee.

Congratulations and our thanks to both!
