

*Happy Birthday to Whispering Pines Park
... from the Rotary club that helped establish it*

On Saturday September 20, 2009 the City of Inverness held a celebration commemorating the 30th Anniversary of one of the premier community parks in the State of Florida. They were helped by the Rotary Club of Inverness (who by the way helped to build the park in 1979 as a club project) that purchased, cooked and served 500 hot dogs to those who attended. Rotarians pictured cooking are left to right Charlie Richer club President-Elect, Jim Neal club President and club member Bill Metzendorf. Pictured serving are Rotarians (standing from left to right) Jim Neal, Doug Lobel, Ned Barry, Judge Mark Yerman, Connie Lobel and shown seated is Cynthia Resare.
