

Rotary Club of Inverness Honored with Donation by Fairman Trust

The Rotary Club of Inverness received a donation of \$20,000 from the Arthur B. Fairman Charitable Trust, presented by Trustee John H. Eden IV. Pictured above L-R, are incoming club president Charlie Richer, John Eden, and outgoing president Jim Neal.

This is the third year that the Trust has donated to our club to help Rotary carry out its charitable endeavors in the community. Eden said our club has a history of action and charitable giving in the community, and has been a good steward of charitable funds.

We appreciate the vote of confidence from the Fairman Trust and will again strive to live up to expectations in helping our community.
