

A New Tradition ... An Old Book

Rotarian Fred Ohsiek recently found a book from the 1960s about Rotary, including a photo of founder Paul Harris. He brought it to our meeting and, pictured below, gave it to club president Jim Neal.

Jim thanked Fred and proposed that the book be passed along to succeeding club presidents. Jim better read it quickly, as his term expires within a month!

Thank you to Fred for helping to preserve our Rotary legacy.
