

Fun with RYE Students Horseback Riding

Ned & Sue Barry recently organized a horseback riding event for our RYE students, and convinced Trish Thomas to saddle up, too, to lead them. Pictured below, left to right: Wen-Ling Li (Taiwan), Trish, Clara Leopassi (Brazil), Eugenia Urso (Italy) and Matilda Kristensen (Denmark). Most of the students had not ridden before.

Thanks go out to Ned and Sue, who hosted an after-riding pizza party for the students and others at their home.

Do you have an experience to share with the students? It doesn't have to be anything fancy. For example, Ron & Cynthia Resare had three of the students over Friday after school to swim with their four dogs in the pool.

Contact Doug Lobel or Ned Barry if you would like to share an activity with our RYE students.
