

Recognizing Ways to Support our Troops

Speaker Barbara Mills filled us in on the many large and small ways we can support and help our men and women in uniform stationed overseas. She was invited to speak at our June 8, 2010 meeting by new member Bob Sitz, formerly with the Rotary Club in Perry, FL, where he was president. He said his former club had adopted a military group and routinely sent helpful and homey items to its members.

A heartfelt thank-you to Barbara Mills for spearheading efforts in the Citrus County community and providing a focal point for efforts to support our uniformed citizens.
