

Blue Badge for Mike Hall

New member Mike Hall of Nature Coast EMS received his blue badge at a Rotary Club of Inverness meeting in January.

New members earn the right to trade in their “rookie member” red badges for “regular member” blue badges by completing a series of tasks designed to familiarize them with Rotary and Rotarians.

Rookie tasks include attending a board meeting, participating in a fund-raiser or service project, being a greeter at our meeting, visiting another Rotary club’s meeting, and either bringing a guest to our meeting or arranging for a speaker.

Mike is congratulated by club president Melanie Hensley
