

Students of the Month -- April 2009

The Rotary Club of Inverness honored its middle school and high school students of the month at an April meeting. Honored students are nominated and chosen by school-based teams that include instructors and administrators, then invited to a lunch meeting to tell us about themselves. They inspire us with their achievements in academic, community and many other aspects of their lives. We appreciate the investment of time and effort of our honorary Rotary members who act as liaison between the schools and the club on behalf of the youth.
