

Students of the Month -- January 2009

The Rotary Club of Inverness honored its middle school and high school students of the month at the January 20, 2009 meeting. Honored students are nominated and chosen by school-based teams that include instructors and administrators, then invited to a lunch meeting to tell us about themselves. We appreciate the investment of time and effort of our honorary Rotary members who act as liaison between the schools and the club on behalf of the youth.

Josh Juergensmeyer and Samantha Risak were selected as the Middle School Students of the Month for January. Ben Wenger and Skye Pepe were recipients of the High School-level award. Rotarians and other guests enjoyed hearing from these exceptional young people about their educational accomplishments, community activities and aspirations.
