

Rotary Youth Exchange Student Isadora Angelicola in Inverness

Isadora Angelicola, our Rotary Youth Exchange student from Brazil, visits with our club members monthly at the meeting at which we honor our students of the month. She arrived in time to start the school year in August, 2008.

We're always glad to see Isadora and hear about her exciting year as an exchange student here in Inverness.

In September she presented Rotary Club of I Inverness president Melanie Hensley with a banner from her hometown Rotary club of Sao Palo, Brazil.
